### CAREER SUMMARY

Passionate Software Engineer with roughly one year of hands-on experience and a relentless growth mindset. Proven ability to learn rapidly, demonstrated by a promotion from Intern to Associate ahead of schedule at Guild Education. Skilled in React, TypeScript, and Node.js, with a deep curiosity for solving complex technical problems and building scalable systems. I thrive in collaborative environments and am ready to tackle the next challenge in a remote, impact-driven role.

### TECHNICAL SKILLS

JavaScript | HTML | CSS | React | TypeScript | Python | Java | Node.js | Tailwind CSS | Database Development | SQL | PostgreSQL | AWS | Git | GitHub | NPM | Figma | Logistic Management | Problem-Solving | Leadership | Team Collaboration | Conflict Resolution | Strategic Communication

### PROFESSIONAL EXPERIENCE

#### GUILD EDUCATION

Denver, Colorado

##### Associate Software Engineer

Aug. 2025 – Nov. 2025

- Promoted from Intern to Associate ahead of schedule by demonstrating a growth mindset and consistently unblocking myself on technical challenges.
- Built and maintained high-impact authentication systems for 5+ million users, ensuring secure platform access and streamlining Member Operations.

#### GUILD EDUCATION

Denver, CO

##### Software Engineer Intern

Jun. 2025 - Aug. 2025

- Embraced a "learning by doing" methodology, working closely with senior engineers to design scalable software solutions and ship production code.
- Actively sought and implemented feedback to improve code quality, directly supporting the growth of Guild's education platform.

#### SOUTHWEST AIRLINES

Denver, Colorado

##### Ramp Agent

Mar. 2022 - Present

- Coordinated the loading and unloading of 150+ bags per flight across various roles, including lead ramp agent and driver, ensuring timely delivery to final destinations.
- Collaborated with a team of +1000 ramp agents to consistently achieve on-time departures, contributing to a 95%+ on-time performance rate for Southwest Airlines at Denver International Airport.

### EDUCATION & TRAINING

#### SEATTLE CENTRAL COLLEGE / YEAR UP UNITED

Seattle, WA

##### Certificate - Software Development and Testing

Sept. 2025

Comprehensive program focused on software development and testing, with hands-on experience in coding, debugging and QA.

#### TRIPLETEN

Remote

##### Certificate - Software Engineering

Aug. 2025

Intensive program covering full-stack development, including HTML, CSS, JavaScript, React, Node.js and databases.

#### UNIVERSIDAD RAFAEL BELLOSO CHACIN

Maracaibo, Venezuela

##### Bachelor's Degree - Electrical Engineering

Aug. 2017

Completed coursework in circuits, electronics, systems analysis and programming.

### LANGUAGES

English: Fluent.

Spanish: Fluent.

### HOBBIES

Hiking, photography and biking.
